Cub Scouting is for parents as well as our boys. We have a fine group of families who have indicated a willingness to help run this parent-sponsored organization. All families of Pack 811 are needed to volunteer in some fashion at the Den, Pack or Committee level each Scouting year. There are both leadership and event opportunities. Your participation is essential to provide a quality Scouting Program.

On the volunteer checklist, please number your top 3 choices (from 1 to 3) you are interested in helping with. Our Leaders will contact you with the details and confirm your interest before any commitment is made. Please note that we urge new scout families to sign up in leadership positions as well as activities and events. This ensures the continuation of the Pack each year, and enables Mom and Dad to make new friends too!

** - These "uniformed" positions have the greatest opportunity to make a positive impact in a child's life.*
